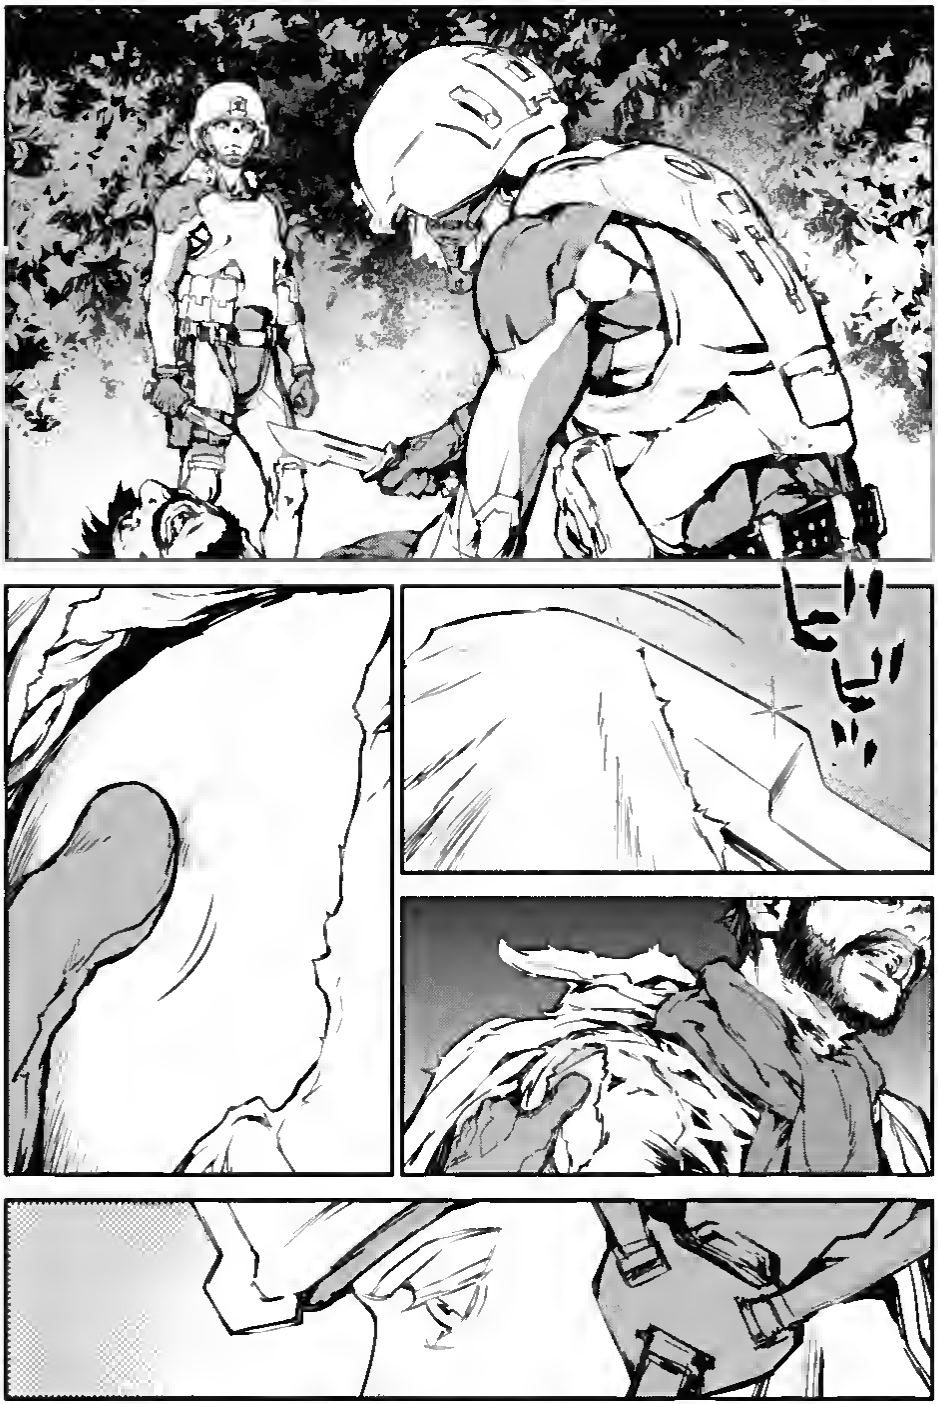
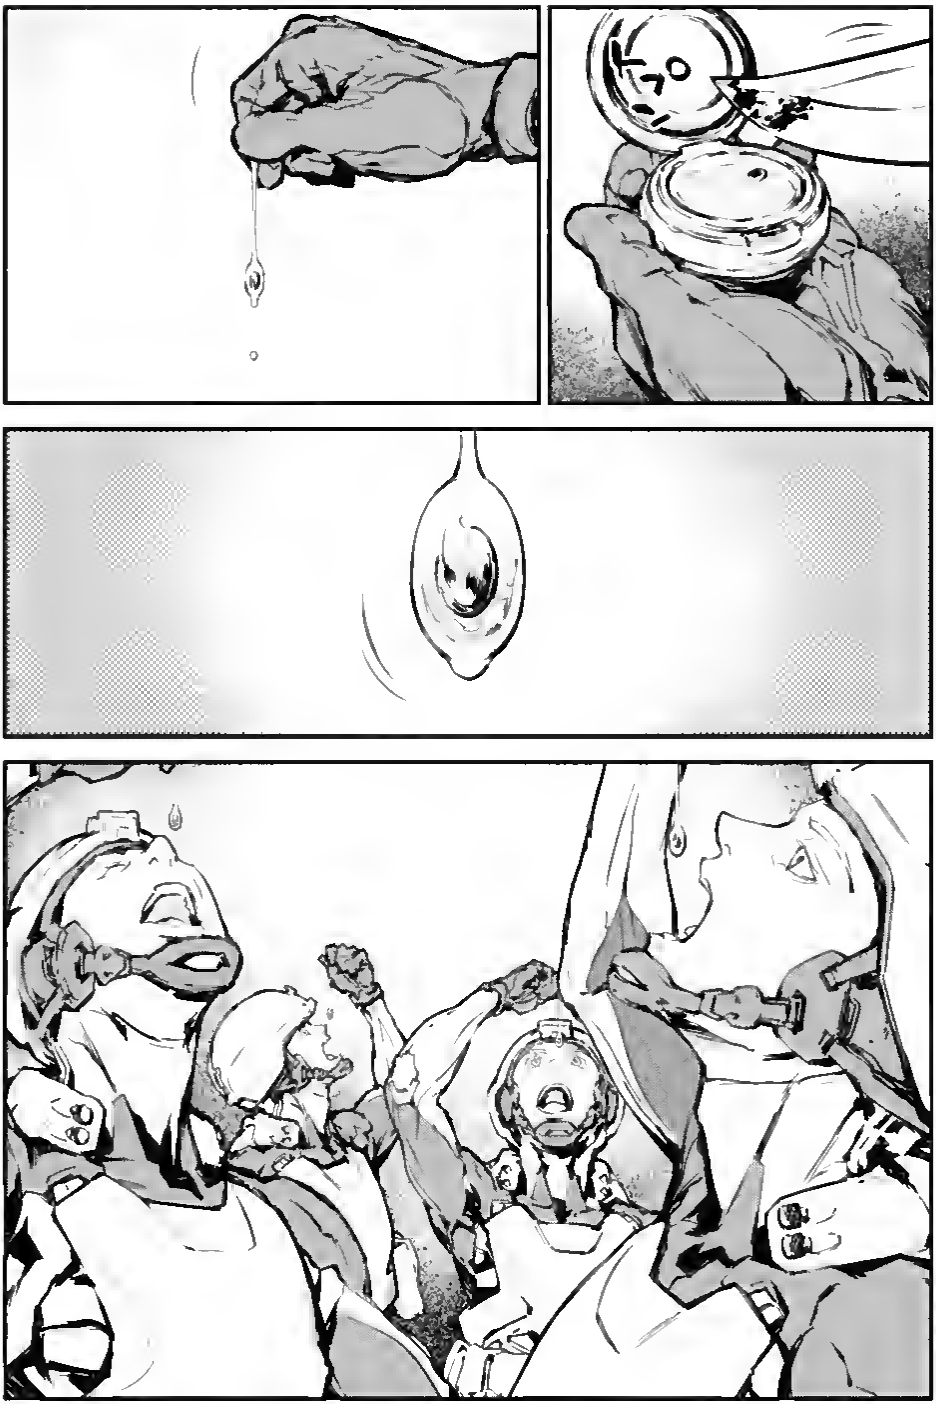
They don't have any sort of affiliation tag.



Here's the ID tag.
We'll use these.
Let's take their *legs* as well!
As usual, huh?



At this rate, we'll get to our objective in no time, Captain Shepherd.
It sucks we had to get rid of our high-tech gear, but...
We're going to act as if we're that group. It couldn't be helped.
Don't you think this is much better than quietly flying all through the night in a foreign country?
We Americans tend to have gear that's too protective. I don't like it.
Let's do this with what we have.
...Is this propaganda by the Military Dictatorship?
How about we change the channel.

Yes it is. I remember hearing the same broadcast half a year ago.
So, you participated in the Ossetia Operation.
Yes. Apparently Georgian speakers are valuable...
However, after disposing of the highest value target, if another one just sprouts,
it makes me wonder if there really is purpose in our work.
.....
Watch what you say, Alex.

Both of you, just leave it at that.
There's a Traffic Control Point approximately 500 meters ahead.
Don't get careless.
